

Table with 17 columns representing lot numbers and their corresponding prices. The first column lists lot numbers from 2001 to 2054. The second column shows prices for lots 2055-2108, with some values (520, 150, 50) appearing in the second column instead of the lot number. The table continues with lot numbers and prices for subsequent lots up to 2054. The right side of the table includes additional lot numbers and prices, some of which are grouped by values like 320, 15, 75, 30, 10, 6, 50, 2.260, 310, 15, 180, 170.
